About Me:

I love working in animation both 2D and 3D. I've got extensive cross-pipeline experience with emphasis on cartoony-style animation, although I've worked photo real when required. I've worked on five features and have won awards for my opening sequences and special effects work.

Software / Skills:

Maya	Animation	3D FX	Compositing	RealFlow
Nuke	Flash	2D FX	Storyboarding	Programming
